## **ABOOLUGANDA MU YESU KRISTO EBIKHULUNDU MUMASIMA KE BAIBULI NASAYE ALI MU BADDATU?**

**(Nasaye Baaba, Nasaye Omwana, Nasaye Omwoyo?)**

### **FUNA OKHUTEGERA EKHOLEGANA AKATTI WA NASAYE NENDE YESU**

Nomala okhusoma ahatabo khano wicha okhumanya okhukobolamu mu bitebo binno:

1. kholegana si eyiri akatti wa Nasaye nende Yesu?
2. Yesu alangibwa atye munjiri?
3. Lwasi Yesu sanyala okhuba Nasaye?
4. Omwoyo mwolerefu niisi oba niye naanu?
5. Kholegana si eyicha okhuba akatti wa Nasaye nende Yesu mubikha bichayo?

#### **1. KHOLEGANI SI EYIRI AKATTI WA NASAYE NENDE YESU?**

Ebya wandikibwa bingi muno mu Baibuli ebilomaloma khu mbera ya Yesu n' enkholegana yaye nende Nasaye.

Baibuli yisomesa yitii Yesu mwaana wa Nasaye era yeyongera yitii Nasaye niye simwaana wa Yesu Kristo.

Sinno nisyo si Malayika wa Mukama yebolera Malyamu, "Oliiba Nneenda era olibula omwaana ow'obusyani, olimukulikha eritta Yesu. Oyo aliba mokhungo alilangibwa omwaana w'oyo ali akullu muno" (Luke 1:31,32).

Khuludalo Yesu luyabatisiiwirakho, eddobosi lyatulla mukulu lyabola litti "oyo niye omwaana wange, yindakha, yi sangalira muno" (Matayo 3: 17).

Baaba baalayi boosi baba abasangafu khu baana bagofu. Nasaye yesi ali atyo.

Nayeenga kotti bano baaba babuliluddalo sibanyala baba nga abaana baabwe, omwaana sanyala okhuba simwaana mwenne, era nende Nasaye sanyala okhuba niyakana omwaana waye Yesu.

Yesu sifananyi syene esya simwaana, yolessa , embeera ya Nasaye eri abandu (Abaebbulanya 1:3)

Niweringala mu bonero, obonna esifananyi syawo. Naye nga esifananyi esyo mubundu sinisyo ewe omwene. Sifananyi busa, mugeri ndala Yesu Yesu siniye Nasaye. Yesu yoleesa embera ya Nasaye eri abandu.

Ba baaba b'abaana basokha okhubawo olunyuma lwa baana babwe. Yesu ali atyo yesi ng'omwaana, Nasaye abangawo, naye Yesu kotti omwaana waye yebulwa khuyabawo. Peetero atubolera atti yesu yali "Yategereebwa" Mubibasso bya Nasaye esyallo nisitalongebwa, "naye yabonesebwa mushakamo syebikha khu lw'emmwe"? (1 Peetero 1:20).

Yesu siyabawo okhutula mukhwanja nga Nasaye, naye yebulwa bwibulwa.

Yebulwa khulw' okhuba “ Nasaye yadakhya esyallo atyo yawaayo n'okhuwaayo omwaana waye eyebulwa mulaala yegane, buli mundu yesi amufukkirira akhaye okhukotta, naye abe n'obulamu obutawaawo” (Yokaana 3 :16)

Nasaye yawayo omwaana waye. Emboossi chino nyangu?

Era nga Nasaye kotti luyalanga nga Yesu atti “ omwaana wange omudakhwa munno” atyo nende Yesu amakhabi mangi yalanga nga Nasaye atti “Baaba wange”.

Yesu yaboola atti “Jja eri Baaba; khulwokhuba baaba akhiira obukhongo” (Yokaana 14:28) Nasaye naba nakhira Yesu obukhongo, anyala yakanna atye nende Yesu khandi? Niyatebebwa ebidirra khukhomerero yomulembe kuuno, Yesu yabakoolamu atti : “ Naaye eby'oluddalo olwo, oba esawa eyo, yiwuma amanyire, wakubadde..... wakubade omwaana, wabula baaba” (Makko 13:32).

Weetebe sinno otti, obanga Nasaye yengene niye amanyire, ne nga Yesu samanyire banyala batyee okhuba nga baakanakana?

Yesu yaboola namalire okhushuukhira atti, “ Nninna mukku eri baaba era latawemmwe, eri Nasaye wange era Nasaye wemmwe”. (Yokaana 20:17).

Omutume Pawulo yesi alanga Nasaye atti. “Nasaye era simwaana wa mukama weffe Yesu Kristo” (2Abakkolinso 11:31), waliwo enjawuulo akati wa Yesu nende Nasaye. Abatume Pawulo nende Yokaana bategeera ekholegana eyiri akatti wa Nasaye nende Yesu. Pawulo yaboola atti “omutwe kkwa' omusacha niye Kristo n'omutwe kkwa Kristo niye Nasaye (1Abakkolinso 11:3).

Yichulisa otti esyawandikibwa sinno syaliwo nga Yesu ashukhire sasiifa khandi nganinire mukku, naye nga era siy'akanakana nende Nasaye.

Mubutufu Yesu asiri omundu, Yesu si Nasaye. Omutume Pawulo atuboolera atti “Khulwohuba waliwo Nasaye Mulaala, nende wamwaanda mulaala akatti wa Nasaye nende abandu, omundu Kristo Yesu (1 Timoseewo 2: 5)

Nasaye salangibwangakho omundu, Yesu salangibwabgakho “Nasaye Omwaana”.

Mu Baibuli Yesu nende Nasaye bakabukhana:-

Omutume Yokaana yaboola attii:-

Buli mulaala yatula atti Yesu mwaana wa Nasaye, Nasaye amubamu era yesi yaba mu Nasaye “( 1 Yokaana 4:15).

Esyo nisyo sikhufukiramu:-

“Yesu mwaana wa Nasaye “nilwo lusiri sityo.
